**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition, specifically SONIC Telecom services.

Please do not take away the right to use AT&T copper bundled lines which provide me with Sonic internet service.

Sonic is providing affordable service well below their competitors at a much superior internet product.

Taking away this competition would create an extreme hardship for myself and other consumers as it allows a monopoly with other providers which drives rates up for a globally and countrywide inferior product.

Respectfully-

Mary Amen
